Storytime Takeout

Let's Learn About Families!

Some people are born into wonderful families, and others are adopted or taken in by loving relatives. Your family might look very different from that of your friends, but if you have people who love you and whom you can count on for help and support, that's your family.

Getting to Know You

Interview your grownup to get to know them better.

What's your favorite color?

When's your birthday?

What's your favorite thing to do?

Do you have a favorite food?

Do you like hugs or kisses better?

What was your first pet?

What's something you're really good at?

What are you most proud of?

Finger Family Song

Daddy finger, Daddy finger, where are you?
Here I am, here I am, how do you do?
Mommy finger, Mommy finger, where are you
Here I am, here I am, how do you do?
Brother finger, brother finger, where are you?
Here I am, here I am, how do you do?
Sister finger, sister finger, where are you?
Here I am, here I am, how do you do?
Baby finger, baby finger, where are you?
Here I am, here I am, how do you do?
