# Summer Reading Program

Reading Log

Summer 2022

# How to Play:

- The goal is to **read** at least **20 minutes** per day for **20 days**.
- Color in or cross out one item for every 20 minutes of reading
- Any reading counts! Books, comic books, magazines, you name it! You can also listen to someone else read!
- Log your reading online, on the Beanstack app, or by bringin this log into one of our Pop-up Libraries!
